Full text of Judgement :

None appears on behalf of the parties.

This revision petition had been dismissed on 04.05.2023 as the petitioner had not been appearing since 06.10.2021 and no short synopsis had also been filed. Today when the matter was called none appears on behalf of the petitioner. In view of the fact that the petitioner has chosen not to be present to argue its own restoration petition, it is evident that the petitioner is not serious about pursuing this revision petition.

The Miscellaneous Application no. 423 of 2023 is therefore, dismissed.
